Sunday School*

## **An Introduction to the epistles of St. Paul**

### **Code: 11/NT/1**

#### **1. General Aims of the unit**

Better Understanding of the epistles of St. Paul

#### **2. Special aims of the lesson**

1. to have a brief about the background of the life of St. Paul , his conversion and the mercies of the Lord which characterize his direction in preaching and writings.
2. to remember by heart the epistles of St. Paul ; their main categories .
3. to explore the main themes of the epistles of St. Paul , as Salvation , Justification , sufficiency of the blood of Christ for our salvation , the deeds of the law and the deeds of faith ; circumcision and its importance for salvation , the church is the body of Christ , Jesus is greater than all the OT , the preeminence of Jesus Christ , and the interpretation of the biblical meaning of these terms.
3. To highlight the Vision of St. Paul to the power and values of the sacraments of the church through his writings

#### **3. Outcomes**

**By the end of this lesson the teens are able to:**

1. Remember by heart the names of the 14 epistles of St. Paul and the main theme of them.
2. express in their words the main direction of theology in the writings of St. Paul , the specific ideas that characterize his epistles.
3. debate the additions of these epistles to the Christian Dogma and faith..

#### **Verses**

Ro.3:24-26 ; 5:18-20 ;6:3-7
