Sunday School*

Holiness and Contemporary Issues : Marriage (11/ SO / 4)

1.General Aim of this unit: To show the teens the practicality of living a Christian life in the society which is tarnished by false concepts and sinful behavior.

2.Special Aims of the Lesson :

1. To define the meaning of marriage in the society and in the Church.
2. To define the biblical basis of marriage from the beginning of the creation, one man & one woman in a permanent relation (Matt. 19:3-6) , this relation resemble the relation of Christ and Church (Eph. 5:22-33) .
3. To highlight the prerequisites for a successful marriage (age , psychological and mental maturity , independence ,)
4. To highlight the steps to choose the partner when you are ready for marriage

3.Outcomes: At the end of this session , the teens are able to:

1. Debate how the society understand the marriage and how this is not matching the Christian understanding.
2. Accept the facts of the right age , the right understanding , the right psychological growth and independent personality needed to start the process of marriage.
3. Accept the spiritual purity as the only way of victory to have happy and successful marriage.
4. Share in a workshop defining the necessary steps to choose the right partner

4. Verses : Matt. 19:4-6 , Eph. 5:22-25

5. References : 1. Jesus in marriage and family
2. How to choose your partner
3. Marriage
