

The history of the holy Bible
Code: 12/ OT / 8

1. General Aims of the unit

Better Understanding of the history of the holy bible

2. Special aims of the lesson

1. To explore the history of the collection of the OT books and the methods of copying the manuscripts
2. To explore the history of the canonization and collection of the NT books
3. To identify the major translations of the bible and mainly the English translations
4. To relate all this knowledge to our deep trust in the “BIBLE” as the authentic “WORD OF GOD”

3. Outcomes

By the end of this lesson the teens are able to:

1. Remember by heart the history of collecting the “Hebrews Bible” and the “Greek Bible” and the differences between them.
2. Remember by heart the time of the universal acceptance of the books of the NT in the East and the West and how the church trusted the authenticity of the books
3. Remember a brief about the major translations of the Bible and specially the English translation
4. Debate with a non Christian person claiming that the Bible is not authentic

4. Verses: 2Pet. 1:19-21 ; 2 Tim. 3:15-17

5. References:

- Refer to the attached notes:
1. Authenticity of the Bible
 2. Authenticity of the Bible-1
 3. Authenticity of the NT
