# Story-telling time

Once upon a time there was a boy named Dave

Dave was a regular and enthusiastic church goer

Over time he built a good reputation among the tunts and uncles of the town

One day Dave met a nice girl

She was very nice; also a church goer!

So, they spent time together, laughed together, and got to really know each other

One day, when they were spending time alone, the temptation became too strong and they fell into sin!

The end

S-I-T signs: look out for the Situation>>Inclination>>Temptation!

- In the story we see there was the situation (allowing yourself to be exposed to and as a result affected by compromising ones environments, activities and acquaintances),
  - then we always have the inclination towards sin (as a result of our fallen nature and the lax society we all have a natural pull towards sin. It is and always will be there but its a matter of bringing oneself into subjection)
  - and then the temptation which was not resisted (the lust of the flesh, the lust of the eyes and the pride of life I John 1)
- the progression of sin has a very obvious domino effect as we have seen in the life of the righteous King David and in the lives of others and our own

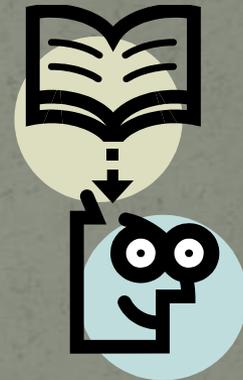

**JAMES 1:15 '...WHEN DESIRE HAS CONCEIVED, IT GIVES BIRTH TO SIN;  
AND SIN, WHEN IT IS FULL-GROWN, BRINGS FORTH DEATH)**
