Spiritual Warfare (Edited)

H.H. Pope Shenouda III

This is the second edition which has been fully revised and edited for English readers.

This book tells you about your internal and external spiritual wars, specifically; the war of your self, emptiness, forgetfulness, doubt, fear, thoughts, outer appearances, sins of the tongue, cruelty of heart, spiritual lukewarmness, sadness, love of praise, love of honour and violence.

It treats the causes, the signs and offers remedies for these wars.

The Life of St Bishoy

The story of St Anba Bishoy is a largely beloved one amongst Christians. The fact that he is also known as 'St Bishoy the Perfect Man', highlights the importance of reading his story and learning from it. *St Bishoy the Beloved of Christ*, written from the perspective of his brother, aims to instill a holy zeal in every child that picks up this book, showing them that God is both real and very close to His children.
