humble people are like angels. Pride reduced angels into devils while humility elevates men to angels.

respect. Humble opinion of self makes us respect each other.

- humility raises our eyes to God. The proud looks down but the humble looks up.

Y Lord, as I get older, protect me from becoming too talkative, thinking I know better or say something wiser. Shield me from thinking I have more knowledge to correct mistakes of others. Grant me less self-assurance when I discuss ideas with others in order to lear from them.

If You order me to be helpful make me le: bossy. If You train me to be more sympathetic make me less sentimental.
