

## **Intercession 11/CH/4**

### **1. General Aims of the unit**

To understand better the Liturgical life of the church with the aim of real spiritual participating in it.

### **2. Special aims of the lesson**

1. To Explore the meaning of intercession and differentiate between the propitiatory intercession and supplicatory intercession
2. To highlight the different types of supplicatory intercession: intercession of living person in living person(strugglers) ; intercession of living person in departed person and intercession of victorious person in living person
3. To check the biblical basis of each type of intercession and understand the unity of the “Body of Christ”
4. To explore the significance of intercession in our lives

### **3.Outcomes**

**By the end of this lesson the teens should be able to:**

1. Recite the biblical evidence of the “the propitiatory intercession” of our Lord and Savior Jesus Christ and why it is unique intercession.
2. Differentiate between different types of the supplicatory intercession and give examples of each of them
3. Explain this statement “asking the saints to intercede for us does not negate our prayers directly to the Lord.”
4. Chose a Patron saint and start a spiritual relation with him/her , read about his/her life and make him/her as a model for your life
5. Remember a group of your friends and pray for them daily.

**4. Verses:** James 5:16 , 1 Tim. 2:5 ; 1Cor.12:26-27 ; Job 42:7-8

**5. References:** 1. intercession of the saints                   H.H. Pope Shenouda III(attached)
