

Activity for Grades 3 and 4 Outing on 5th June 2011

Activity - A treasure Hunt

Procedure Divide children into groups (we will prepare for 6 groups, depending on the numbers attending).

Each group will have a coloured ribbon on their wrist (different colour for each group)

Each group will be given a list of 4 objects they need to find. When they have found these, they present themselves to a nominated member of the team.

The last team to accumulate the objects will be eliminated. The other teams will be given the next group of objects to collect.

This procedure will continue until there is only one team left.

As a team is eliminated, they are to be asked how it feels to be out of the activity. After the discussion, they will be given a small bag of sweets to share among the group.
