

Aim: How do we show God we need Him and Love Him?

Steps:

1. There will be a mind map to stick on the white board with six stems.
2. One stem will already be up with the answer of prayer (it's too obvious and we want the kids to think).
3. Ask the kids to answer the question "How do we show God we need Him and Love Him?"
4. Write an answer at the end of a stem with the whiteboard marker.
5. After each answer discuss the following questions:
 - a. Who can this action benefit?
 - b. Why is this option showing God you love Him = because spending your time with Him instead of watching TV etc.
 - c. How can you improve this action i.e. not just go to church but pay full attention during the mass.

Possible answers:

- Fasting
- Preaching
- Going to church
- Acting like a Christian
- Obeying your parents
- Helping other people.
