

Activity for yrs 3 and 4 for 29th January 2012

Topic St. Anthony & obedience

Bible references

Resources **prize for the winners (zappo)**

Procedure

Introduce the game to those who don't know how to play it as follows:

- One of us is Simon at first. Simon faces the rest of the group, who stand where they can see Simon well.
- Simon gives commands for the children to follow, such as "Simon says, 'Clap your hands,'" or "Simon says, 'Kick your feet.'"
- The children are to obey only those commands that begin with the words "Simon says." If the command does not begin with these words (for example, "Jump up and down"), the players should ignore it.

Summary

God's words are there for us to see in the bible and it is very important for us to follow his words and his will.
