Humility

Jesus gives His disciples a lesson in humility when He washes their feet. He tells them that they are to follow His example. And we, as disciples of Christ are to do the same. Meeting the needs of other people and sacrificing your own is the example of Jesus and we are called to be like Him. **Did you know that when you feel sorry for yourself, one of the best things to help you feel better is to do something good for someone else?** And if you are acting like Jesus, it may cost you something- some time, some energy, some money, maybe even pride. Sometimes we can serve others secretly, and God gets all of the glory. Jesus came and humbled Himself by being a servant to others. Being Christ-like means that we humble ourselves & do the same. Its the whole point of our time here on earth- following His example, looking more and more like Jesus!
