Jesus Promises You A Home with Him (John 14:2-4)

“In My Fathers house you have many mansions...” This is one of the most awesome promises in the Bible. Jesus has gone to heaven to prepare our home- our forever home. And then, when it is time, Jesus will return to take us there. It’s the home your heart has been longing for since the day you were born. The place where all wounds will be healed. All hopes fulfilled. Joy will be complete. Laughter will bounce off the walls. Tears will be banned. Worry won’t even be a word. Home. Home at last with Jesus. Everything you ever thought a home should be, and more than you ever dreamed it could be. Not a day too early, but just in time, Jesus will take us home.

What Does it Mean? (John 14:6)

If you check the graves of the “gods” of other religions- you will find one thing in common- bones. There is only one grave that is empty- the grave of our Lord Jesus Christ! He is the only way to get to heaven, the only way to eternal life, the only way to have a real life. It doesn’t matter how good you may think you are, how much money you have, or how many times you’ve been to church. **Without Jesus, You can forget it all. He is the only way. He is the only truth. He is the only life.**

The Holy Spirit (John 14:16,26)

God sent us the Holy Spirit to walk with us through the storms of life. Not only does the Holy Spirit fill us with power, it also helps us with every trial, temptation & circumstance. The Holy Spirit is always ready to help us. In fact, if we become aware of God’s presence in us there isn’t anything that the devil can throw at us that we can’t handle. Jesus the greater One, lives on the inside! Nothing can stop us now! We have the victory!

What Does it Mean? (John 15:1)

Have you ever thought about why Jesus uses this image of the vine and the branches? Who is the vine and who are the branches? **We are the branches that grow from the vine. In other words, we have life because of Him.**

The farmer is the one who takes care of the vineyard, and that farmer is God. He's taking care of us so that we can produce good fruit. And as we allow God to feed us, prune us and care for us, we will start producing good fruit today. **God the Father is the farmer, Jesus is the vine and you are the branch. God's on your side and He wants you to produce good fruit!**

Jesus Promises to be your friend (John 15:14-15)

Jesus called His disciples to be His *friends*. The word applies to everyone who would ever become His disciple. You've probably heard a lot about being Jesus' servant. Of course, Jesus wants you to do your best to be a servant who pleases Him. But more than that, He wants you to treat Him like your friend. Jesus wants a friend who loves Him more than anyone or anything else. A person who will turn towards Him and love Him with their whole heart. Be careful not to take His friendship for granted. He isn't like your friends at school just as imperfect as you are. He is God. While you're learning to love Him as your best friend, don't ever lose sight of how awesome He is and of all the incredible gifts He gives you. **Start to think of yourself as Jesus' friend.**
