

9S06 – Holiness & Contemporary Issues: Social Media

Key notes:

- > 1. We are not saying if Social Media and right or wrong. As a matter of fact
- > the church has not issued any "yes" or "No" position on social media.
- > 2. The slides are intended to summaries key points. Both positives and
- > negative, with obvious emphasis on the dangers of course.
- > 3. Recommended delivery is to have the lesson as interactive as possible.
- > Allow the teens to share stories and issues from their own experiences of
- > heard from others to highlight the dangers.
- > 4. One good practical exercise which may help having an interactive lesson
- > is calculating the average hours spent a day on social media in your class
- > and compare with the world wide averages. We guess it will be higher than
- > the world average.
- > 5. One youtube which you may find suitable to present as an introduction.
- > Please note that the clip was done around 2011, so the statistics are a bit
- > behind the stats we have on the slides.
- > <http://www.youtube.com/watch?v=1TWHsiMYSxw>
- > 6. Last 4 slides are the main ones. On three main dangers of Social Media
- > and the last one on practical way forward?
